Implementation Notes

- Neither PNY or NVIDIA will accept new POs after the NCNR PO deadline noted above.
- All unfulfilled POs will become non-cancelable, non-returnable, and non-reschedulable on the LTB date.

Products Affected/Ordering Codes

Any NVIDIA RTX A2000 6GB PNY PN, including VCNRTXA2000-PB, or any other “-” suffix such as -BLK, -SB, -ESPPB, -PORPB, -KIT, or others, all of which utilize NVIDIA PN 900-5G192-1701-000 (RTX A2000 6GB board only). Any additional custom or 69Q PNY PNs that utilize the NVIDIA RTX A2000 6GB are also covered by this EOL notice.

Replacement Products for the NVIDIA RTX A2000 6GB

Customers currently purchasing the NVIDIA RTX A2000 6GB should consider the NVIDIA RTX A2000 12GB board. (PNY PN VCNRTXA200012GB-PB). The 6GB version of the RTX A2000 has entered into the EOL process and will be available until October 2023. For long-term projects the RTX A2000 12GB version is strongly preferred.
