Implementation Notes

- Build-to-order material or shipments after the “Last product ship/hub pull date” deadline must be pre-approved by PNY and may incur an additional fee and/or additional leadtime.
- If the final order deviates more than 25% from the final forecast, an additional lead time and/or additional fee may be assessed.
- PNY will not accept new PO’s after the NCNR PO deadline above.
- All unfilled POs will become non-cancelable, non-returnable, and non-reschedulable on the LTB date.

Products Affected/Ordering Codes

Any NVIDIA Quadro RTX 4000 or RTX 5000 board, PNY PNs VCQRTX4000-PB or VCQRTX5000-PB, or any other “-” suffix such as -BLK, -SB, -ESPPB, -PORPB, -EDU, -HHC, or others, all of which utilize NVIDIA PNs 900-5G160-1750-000 (RTX 4000) or 900-5G180-1700-000 (RTX 5000) are included. Any additional custom or 69Q PNY PNs purchased that utilize the Quadro RTX 4000 or RTX 5000 are also included.

Replacement Products for the NVIDIA RTX 4000 and RTX 5000

PNY Partners should recommend that customers requiring the NVIDIA Quadro RTX 4000 move to the NVIDIA RTX A4000, PNY PN VCNRTXA4000-PB. NVIDIA Quadro RTX 5000 configurations should migrate to the RTX A5000, PNY PN VCNRTXA5000-PB (or other options as noted above).
