

Higher Education Discounts Available

WWW.PNY.COM/EDU

With the education buying season upon us, there has never been a better time to sell NVIDIA professional GPU technology into the Higher Education Market. NVIDIA RTX™ and NVIDIA Quadro RTX GPUs enable higher education to dramatically improve the educational experience offered while enabling flexible learning styles and simplifying IT management.

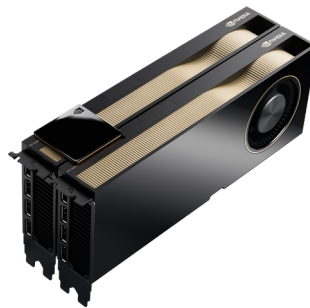

Educational Program Available For Select NVIDIA RTX GPUs

Ask how you can get special educational pricing on NVIDIA's top of the line NVIDIA professional graphics boards for your higher education accounts. [Learn more >>](#)

Learn on the Tools Professionals Use:

Provide students with real-world industry experience using the most powerful 3D graphics and visualization solutions based on the NVIDIA RTX professional products they will use in their chosen profession for design, digital content creation, simulation, modeling, virtual reality, AI, and more.

Efficient and Effective Learning Workflows

NVIDIA RTX and Quadro RTX are the only NVIDIA GPUs fully certified and supported for 100's of professional applications suitable for higher education use including MATLAB, Mathematica, ANSYS® CAE software, all leading CAD packages, nearly all open source and commercial scientific and technical software, HPC and computer science, computational finance, AI/ DL/ML/MV, along with the latest DCC and M&E software, including the latest ray-tracing, visualization, and AR/VR/MR apps.

Longevity

Designed, built, and tested by NVIDIA, NVIDIA RTX pro GPUs offer extended product lifecycles and a 3-year hardware warranty, and select NVIDIA RTX products are certified for data center deployment or other mission-critical educational applications.

- Why NVIDIA RTX
- NVIDIA RTX for VR
- NVIDIA RTX for AI
- NVIDIA RTX for 3D

Selecting The Right Board Is As Easy As 1-2-3:

1

What type of platform does your customer have?

2

What type of application is your customer running?

3

What type of problem is your customer trying to solve?

TO FIND OUT IF YOUR DEAL QUALIFIES
